Companies ranked by annual revenues. Companies with slightly higher revenues before figures were rounded appear first; those with equal revenues are listed alphabetically. ABiz assumes information provided by companies is accurate. In several instances, revenues for auto dealers include more than one dealership. \*Estimated revenues. Approximate revenues and employment for companies that decline to release sales figures and other information are based on a variety of sources, including Dun & Bradstreet and industry trends and estimates for their type of business.

(l) While Thomas Chance was C&C's chief executive in 2014, the company was sold this year to Houston-based Oceaneering and is making its last appearance on the Top 50 list.
