***Re: Response to May 5, 2016 Public Record Request***

Dear Marshal Pope:

We received and thank you for your May 12, 2016 response to The Independent's May 5, 2016 public record request. Unfortunately, it is incomplete.

Your Certification is limited to a search of your office and computer. However, a custodian has the duty to produce any public record within their control as well as their possession of custody. The "motion" requested on May 5, 2016 was prepared by your attorney of record in this proceeding and his services were paid by your City Marshal Cost Account check. This is a public record within your control and should be produced.

The statutory window for a timely response closes today. We will file a motion to compel production of the requested motion if it is not received at my office by 5:00 pm tomorrow, May 13, 2016. That motion will include an additional request for the payment of attorney fees, costs and penalties for the delay.

Respectfully,

Gary McGoffin
