(n/l) not listed. Companies ranked by annual revenues. Companies with slightly higher revenues before figures were rounded appear first; those with equal revenues are listed alphabetically. ABiz assumes information provided by companies is accurate. In several instances, revenues for auto dealers include more than one dealership. *Estimated revenues. Approximate revenues and employment for companies that decline to release sales figures and other information are based on a variety of sources, including Dun & Bradstreet and industry trends and estimates for their type of business.
